

4 April 1958

Subject: Transmittal of Contract BC-450, Amendment No. 6

Reference: (a) Letter dated 7 March 1958, JSL to HL
(b) Letter dated 18 March 1958 (#25434), DK to BJW

Enclosure: Exhibit B dated 7 March 1958, Revised 1 April 1958

Dear Sir:

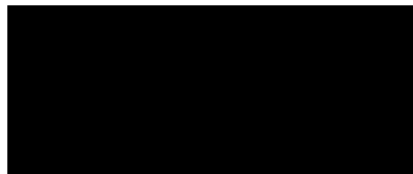

Enclosed herewith are two (2) executed copies of Contract BC-450 Amendment No. 6 along with six (6) copies of Exhibit "B", Revised 1 April 1958.

Exhibit "B" dated 7 March 1958, which was submitted to you in the reference (a) letter, incorrectly stated several basic hourly rates. Exhibit "B" Revised 1 April 1958 correctly portrays all basic hourly rates and in turn the correct hourly provisional sale rates. We therefore request that Exhibit "B" Revised 1 April 1958 be substituted for Exhibit "B" dated 7 March 1958.

An additional amendment will be required to cover the period through 30 June 1958. A request for such amendment will be submitted as soon as new estimates have been completed in accordance with your reference (b) letter.

Very truly yours,

HYCON MFG. COMPANY

Vice President, Engineering
